

# iOS App Extensions

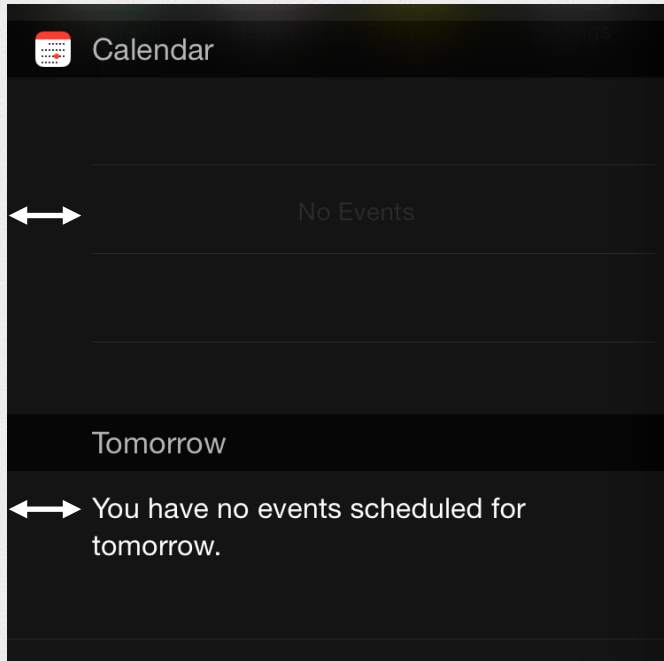

Today Extensions: Layout

[raywenderlich.com](http://raywenderlich.com)

# Insets

```
func widgetMarginInsetsForProposedMarginInsets  
(defaultMarginInsets: UIEdgeInsets) -> UIEdgeInsets {  
    return UIEdgeInsetsZero  
}
```

# Fixed Height

---

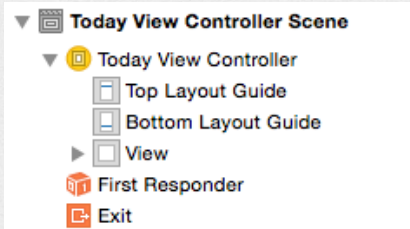

- ⚙ Set preferredContentSize for a fixed-height extension

```
preferredContentSize: CGSize

struct CGSize {
    var width: CGFloat
    var height: CGFloat
}
```
